Lady Hookers Fishing Club™

Welcome to the 2009 Fishing season. We have been working on a tentative calendar over the last couple of months and hope you can attend some of the events we have scheduled. We are stepping it up a bit this year to help more of you feel confident when you go fishing and up the fun factor.

For starters we are offering seminars and classes on a monthly basis through November. The San Luis Yacht Club in Avila Beach is generously helping to support us by lending us the use of their clubhouse on the second Tuesday of every month to hold our classes and events. As a way of thanking them we will be hosting a brunch for them in October at the Yacht Club.

Our first class on Tuesday February 10th is designed for the Ladies, and will be a refresher or first time instruction on how to tie fishing knots. We will be concentrating on 4 different knots that you should know. This is a potluck so bring a dish to share. No host beverage center will be open at the Yacht club. If possible please RSVP so we have enough materials for everyone. Social time starts at 5:30, Dinner at 6:00 Class starts at 6:30 Cost is FREE

We fish for more than the halibut...

We have fishing adventures scheduled on a monthly basis this year. We will start at Lopez Lake on Saturday February 28th. Meet at Cottonwood Cove and plan on dropping a line in by 7:00 am and fish until noon depending on the bite. This event has become somewhat of a tradition for us to open our season at Lopez Lake. It makes sense to carpool if you can. Lopez Lake does charge an entry fee per vehicle coming into the recreation area. This morning of fishing will count towards the annual fishing derby. The annual derby will run from February 28th through the last trip of the year. The judges will award trophies at the annual derby based on size, quantity, location and participation. Complete rules will be available at the first event February 28th & on the website starting March 1st.

Speaking of the website we will be posting the newsletter and details of events on the site. Be sure to check it on a regular basis as events are continually being added and updated. We will be sending all newsletters and information via email this year to help keep our costs down. If you want to continue receiving information via US mail please send \$10.00

And your current mailing information to LHFC PO BOX 165 Avila Beach, CA. 93424. The newsletter is published on a quarterly basis in addition special event mailings will go out 4-8 times a year.

Once again this year we will be surfing fishing. Meet after work and toss your line in.

Monday Evening Surf Fishing

We meet after work between 5:30 and 6:30 on the beach look for the pink hats
